Crescent School District Philosophy

As an Oklahoma Public School, we accept all who come to our door, and who are legally eligible to attend. But once they have entered that door, and signed an enrollment card, they must accept the responsibility of fulfilling the obligations of a student in good standing to remain in our school. The opportunity for an education at our school is there for all, and the quality of education that each student receives is directly proportional to the effort he or she puts forth.

As a Board, we recognize that the education of our children is more than the performance of a duty or act of love. It is these things and also the highest expression of enlightened self-interest by the people of the Crescent School District. Education is our finest investment.

The Student Handbook is placed in the hands of the student and parents to serve as a guide through school days and to lessen problems and difficulties. Students will know what rules and regulations govern school life and what the school expects of the student.

Many of the policies set down here are governed by the state law or are directives of the State Board of Education, but many are local policy, custom or tradition and may be amended as the need arises.

- D. Pupils enrolled for the first time must comply with the same requirements of scholarship. The passing grades required for the preceding semester should be obtained from the records in the school last attended.

Section 2. Student Eligibility During a Semester

- A. Scholastic eligibility for students will be checked at the end of the third week of a semester and each succeeding week thereafter. Crescent will run eligibility checks at the end of the school day preceeding the last school day of the week. The period of probation and ineligibility will always begin the Monday following the day eligibility is checked.
- B. A student must be passing in all subjects he / she is enrolled in during a semester. If a student is not passing all subjects enrolled in at the end of the week, they will be placed on probation for the next one-week period. - B. Incomplete grades will be considered to be the same as failing grades in determining scholastic eligibility. School administrators are authorized to make an exception to this provision if the incomplete grade was caused by an unavoidable hardship. (Examples of such hardships would be illness, injury, death in the family, and natural disaster). (Board policy allows a maximum of two weeks to this exception.) All students must follow Rule 2 – B above.

Library

Most library books will be checked out on the basis of two weeks. Periodicals will be used only in the library.

Students to whom the books are checked out must pay for lost books, or they will not be permitted to get other books.

The library will close approximately two weeks before the close of school. All book reports should be finished and books checked in by that date. Library facilities are open to the students and to residents of the community who wish to use these facilities.

Withdrawal from School

Written consent from parents is necessary to check out of school. Students withdrawing from school to transfer to another school are asked to come to the Principal's office the day BEFORE leaving and obtain a student clearance form to be filled out by all of the student's teachers, cafeteria, the Librarian, and the HS office.

This form is to be presented to registering school to help plan your schedule for the remainder of the year.

Students desiring to withdraw from school must bring their parent or guardian with them.

College Visits for Seniors

Before a student will be excused from school to visit or enroll in a college, the following criteria must be met:

1. The student must have the academic background to attend the college to be visited.
2. Arrangements to go to a college must be made through the Counselor's office **BEFORE** the trip is made.
3. Students who have met the two above criteria, then the student must bring back evidence of having fulfilled their obligation of a college visit. (Signed statement by college personnel, etc.)

Vo-Tech/CareerTech

Crescent is a member of Francis Tuttle Vo-Tech School, located in Northwest Oklahoma City. Students in grades 11 and 12 may elect to divide their school day between Crescent High School and Francis Tuttle Vo-Tech.

Student Counseling

Our School provides facilities for counseling for all students, grades 6 – 12. We urge the students to take advantage of these opportunities that are presented to them. Facilities are available for counseling both boys and girls.

A comprehensive cumulative record has been established for each student enrolled in our school. These records are available in the Counselor's office.

We would like the opportunity for each student to have at least one conference with the Counselor each semester. Arrangements can be made for a conference with the parents and students jointly or with parents when it is desired. We recommend that a student seek the Counselor during a supervised study period or an activity period. When this is not possible, arrangements ahead of time will be made to permit the student to leave class for the purpose of working with the Counselor.

The Counselor can assist students with educational, vocational, social, and emotional problems with which the student feels that he or she needs help.

School Property

District owned computers, books, and other school property are issued each semester. Students are responsible for returning books or computers in good condition. Damaged or lost books or computers must be replaced before credit will be issued. If a replaced book or computer is found later, the price of the replacement will be refunded.
