

CRESCENT ELEMENTARY SCHOOL

Parent and Student Handbook

ADMISSION AND RESIDENCE

It is the policy of the Crescent board of Education that the residence of any child for school purpose should be: The school district in which the parents, guardian or person having the legal care and custody of the child holds legal residence, if that person contributes in a major degree to support of each child. The court of Appeals has ruled that “custody “referred to in 70 O>S> Supp. 199, Section 1-112 (A) (1) is legal custody. “Physical custody alone is not sufficient to change a child’s residency for purposes of school law.” If a child is placed by the parent in a voluntary arrangement with an adult not having legal custody or guardianship of the child, an emergency transfer is required. 70 O>S> Supp. 1994, Sec. 1-113 (C) (1) (a) (3).

ARRIVAL TIME AT SCHOOL

Students are not to arrive at school until at least 7:30 a.m. The Cafeteria will be open for breakfast at 7:30 a.m. Doors will open at 7:45, at which time students are to report to their homeroom teacher. First bell is at 8:00am and Final bell is at 3:20 pm

ATTENDANCE

Attendance is important. Regular attendance is of tremendous value to the student as well as to the school. Irregular attendance, regardless of the cause, will not produce satisfactory results. Regular attendance stimulates interest in work and prevents the discouragement that comes from being behind in class. Punctuality and regular attendance are desirable habits to form. Excessive absences and truancy will be brought to the attention of the District Attorney.

The only legitimate reason for school absence is sickness or serious emergency. If a student must be absent from school, the parents should call the school, the day before a planned absence or the day of an unplanned absence. Parents must inform the school of a reason for every absence.

Make up work “where feasible” after an excused absence will be at the discretion of the classroom teacher.

PICKUP

After school, students may be picked up on the Northeast side of the elementary building and the Northwest side of the multi-purpose building.

BAD WEATHER

In case of bad weather and the event that school is cancelled, cancelations will be announced on OKC television stations 4, 5 and 9. School messenger may also contact you by phone.

BULLYING BY DEFINITION:

It is both important and responsible to define what bullying is by strict definition and identify root causes so that we can assure prevention of such behavior at school.

- Bullying behavior occurs repeatedly over time and on purpose.
- Bullying behavior is when a person or persons says or does mean or hurtful things to others that have a hard time defending themselves.
- Bullying is a behavior that is intentional and a tactic used to make others that are timid, weak, physically, emotionally, or economically disadvantaged feel even more so.
- Bullying is NOT conflict; conflict is inevitable and should never be confused with bullying. (Arguing with one another is not a desirable action but it is not bullying).
- Staff members are the critical component. Kids learn the majority of their behavior from observing adults; make sure we give off the impression of always protecting, and being kind to those that are disadvantaged.
- Selfishness is the primary root of the behavior, identify this and work to correct it.
- Most importantly make students feel connected to the school, bullies and those bullied HAVE to feel as though they belong to a larger community. Some teachers use the “One Sentence Intervention Technique” for building positive relationships with students.
- Staff members, who include teachers and support personnel, should report any questionable behavior to administration immediately.

CAFETERIA

The cafeteria is open at 7:30 am daily during school to serve breakfast. Buildings open at 7:45 am to allow students to come into the buildings. Students are encouraged to purchase monthly meal tickets from the cafeteria manager. It is advisable to fill out free lunch program papers annually.

Students that eat in the cafeteria will conform to all cafeteria rules and conduct themselves properly. All rules of etiquette are to be followed. State regulations limit the number of allowable charges, and Crescent Schools policy limits those to two.

CLOSED CAMPUS

All visitors are to check in through the Elementary office and any student leaving campus must be checked out through the Elementary office.

CARE OF PROPERTY

Staff and Students alike should take good care of school property as though it was their own. Any damage to property takes money out of the classroom and ultimately damages the reputation of the school. Any damage willfully will result in disciplinary action and or pay costs of repair.

CLASS PARTIES

Class parties are allowed three times a year, Christmas, Valentines, and the end of school. Designated homeroom parents are invited to these parties Please do not bring any additional guests including children. To avoid complications there will be no gift exchange among students.

CONDUCT

Rules at school are there for the well being and safety of everyone. There will always be a difference of opinion on consequences. Therefore we will impose rules and consequences at the discretion of District policy and administrators decisions. Students who try hard in class and are considerate of others will not have to worry about any potential consequences. Students should never infringe on the rights of others and be very respectful while at school. Please avoid pushing, shoving, name calling, and hitting even if done in jest, there is no way for teachers to know if you are "just playing".

LOST AND FOUND

Any thing found on campus should be immediately taken to the office; lost items should be reported immediately. The last thing we want is for a student to find an item and then be accused of stealing it.

Students are solely responsible for items they bring to school; please do not let your child bring items of value to school, especially if they are irreplaceable.

Items not claimed by the end of the year will be discarded or donated.
